The Stable Block is a beautiful two storey self contained Grade IIa listed building within the stunning grounds of Thorncroft Manor beside the river Mole to the south of the town. The building consists of approximately 4400sq.ft of open plan space and can be let per floor, as a whole, as conventional leased space or serviced offices.

Use of the very exclusive "site-only" café within the main Manor House will also be available to The Stable Block clients and employees. The café will provide high quality food in a relaxed lounge seating area and also provide clients with the benefit of an on-site catering service for meetings or for general office delivery throughout the day.
